WELCOME TO

ART, WINE & WHEELS

Welcome to the 17th annual Art, Wine & Wheels Festival hosted by the Rotary Club of Mariposa Yosemite. Our historic Mariposa County Courthouse, at the heart of our town, is a perfect setting in which to enjoy local artists' works and cool jazz, while tasting great wines from the foothill region and beyond. What a perfect pairing!

We invite you to enjoy the classic cars on display, to tour the historic Courthouse, to watch artists in action and to enjoy a lunch on the courthouse lawn under the shade. We look forward to joining with you on this festive day.

FEATURED ARTIST

ROSALIE THURSTON

Each year the Rotary Club of Mariposa Yosemite invites artists to submit their artwork for consideration to represent the group's annual Art, Wine and Wheels event. The themes can include art, wine, classic cars, Mariposa history, local scenery, flora, fauna or the Mariposa community. The selected art is used in various promotional materials including postcards, posters and brochures, as well as in social media. The winning artist receives a complimentary booth space at the event and will be credited in all promotional materials.

The 2023 winning art is "A View from the Vineyard" by Rosalie Thurston. It is an 11" x 14" acrylic on canvas.

Rosalie Thurston, a long-time Mariposa resident, has worked for several local businesses throughout the county. She has always been interested in creative ventures and has designed and crafted various costumes, decorations, and clothing. Over the years, Rosalie has experimented with many creative fields, such as tapestry, drawing, and jewelry making. In May 2022, she started as a sales associate at the Ridgeline Gallery and Gift in downtown Mariposa. This new adventure has inspired her to try her hand at painting, and the rest is art in the making.

The 17th Annual Art, Wine, & Wheels event will be held on Saturday, May 27th, on the Mariposa County Courthouse lawn. This is a popular annual gathering sponsored by the Mariposa Yosemite Rotary Club featuring regional wines, local artists and custom cars.

COMMUNITY GIVING

Through our Community Giving Project, each year the Rotary Club of Mariposa Yosemite gives between \$6,000 - \$10,000 to local educational, charitable and nonprofit groups in need. During the course of the year, many organizations seek assistance to fund start up costs or operational costs to address human service needs such as Manna House, Heritage House or Court Appointed Special Advocates (CASA); to sponsor kids sports teams such as Girls Soccer or Boys Baseball; to fund community events, such as the Bar Associations' Law Day, the Butterfly Festival, and the Story Telling Festival, Mariposa County Trails Day, or the Grizzly Boosters' Sober Grad Night.

In addition, we have helped to fund start up costs for new organizations serving Mariposa County residents, such as Widow/Widowers In Need/W.I.N., the Mariposa County Sheriffs Foundation and the Mariposa Soccer League.

While the traditional vehicle for community giving is through non-profit organizations, we are not restricted in how we allocate community giving dollars. An application is available on-line at mariposayosemiterotary.org. Please read the guidelines and fill out an application to be considered for funding.

Rotary in Action Disaster Assistance

In response to the devastation of the Oak Fire in the summer of 2022, Rotary joined other community organizations as part of an "Unmet Needs Council" to coordinate resources to assist uninsured fire survivors.

Consistent with the Rotary Area of Focus of providing clean drinking water, our Rotary Club allocated its resources towards restoring wells which enabled residents to return to their properties. Tri-County Pump and Well Service provided emergency well repairs in coordination with county-installed trailers, enabling over 20 families to return to their properties.

Our Rotary Club committed over \$27,000 of local resources, and worked with other Rotary organizations to bring in an additional \$30,000 for this effort.

RAUCH RANCH

Rauch Vineyards and Winery's award winning wines are the combined efforts of Mike and Lesli Rauch. Over the last 26 years, they have established over 50 acres in over 10 vineyards, worked in and for Silver Fox and Butterfly Creek, and currently maintain Ben Hur Rd. Vineyard on the historic Rauch Ranch. The Rauchs produce 10 Estate Varietals and produce an assortment of fine wine for sale locally in Mariposa.

CARDELLA WINERY

The Cardella family immigrated from Marlia, Tuscany, in Italy in 1902 and settled in the Firebaugh Mendota area. For the last century, the Cardella Family has been growing and marketing high quality foods from their fields. This blossomed into Cardella Ranch and Winery, that produces numerous award- winning grape varietals, putting the San Joaquin Valley on the map as a quality wine making region.

HERITAGE OAK WINERY

Heritage Oak owners, Tom and Carmela Hoffman are proud of their land that has been in their family for five generations. This pride is seen in the quality of the grapes that are harvested each fall and the rich, smooth textured wines that are made from them. They spend time creating subtle barrel aged blends that best reflect what each of the vineyards can produce.

PAPAGNI WINES

A reputation for excellence in both grape growing and winemaking has been our family tradition for over 100 years, reaching back to Bari, Italy. Papagni became renown for wines crafted from Alicante Bouschet, a deep, dark wine with spice, rich fruit, and gentle earthiness. In recent years, we have been focused on producing small lot, hand grafted award-winning red and white wines.

NEWSOME HARLOW WINES

The owners and staff at Newsome Harlow are singularly focused on the experience of our customers. Our goal is to pay particular attention to your tastes in wine. Furthermore, we may be wine makers and wine marketers, but we are wine drinkers first. So, we get that not everyone cares how many awards our wines have won. We work with some of the greatest Zinfandel vineyards in the Sierra Foothills and the small batches of wine we produce are becoming harder and harder to get. We are known for our high-quality Zinfandels, however our other red and white varietals receive excellent ratings.

SCULPTERRA WINERY & SCULPTURE GARDEN

The Sculpterra estate vineyards reside in the hills of the scenic Linne Valley east of Paso Robles. The 135 acre vineyard is planted with Cabernet Sauvignon, Primitivo, Merlot, Viognier, Petit Syrah, Mouvedre, Pinot Noir, Grenache, Syrah, and Cabernet France. The terrain is clay loam intermixed with gravel beds from nearby streams, reminiscent of the Medoc-Graves region of Bordeaux. The white wines are made strictly in stainless steel tanks. The red wine goes through a complex fermentation process before transfer to oak barrels.

Rotary in Action FEATURED OUTREACH

Mariposa Rotary supports over 50 major community projects each year, reaching all ages across all walks of life.

3RD-GRADE DICTIONARY PROJECT

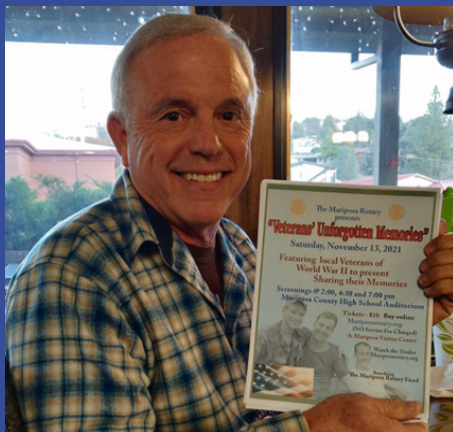

The Rotary Club of Mariposa Yosemite has a long-standing tradition of providing personalized dictionaries to each third-grader in the County. We have the opportunity to show the kids how to look up words and talk about what they mean, and how to access knowledge. In addition, we get to share with the children how a dictionary has added to our unique careers.”

When we provide scholarships to graduating high school seniors, or when seniors compete in our speech contest, they often note that they still have their dictionary, and that was a meaningful event in their lives — a book especially for them given to them by a community group interested in their success.

Celebrating with the Community

An important part of Rotary is the ability to join together with other Rotarians to celebrate special occasions, to reach out to those who deserve our attention — veterans, children, the elderly — and to help them celebrate together. We have joined with other community groups in developing a veteran's memorial, in providing a safe community for Halloween at "Trunk or Treat" and at the Christmas Tree Lighting, where Rotary developed a Santa's Village.

5 REASONS WHY YOU NEED A CORDED LANDLINE TELEPHONE

1. Even if you are unable to speak, help is on its way. As soon as you dial 911 your address is automatically sent to the 911 dispatcher.
2. Never miss an evacuation order or emergency notification. Your corded landline telephone will continue to work when the power is out.
3. Batteries not required. Stay connected when your cell phone battery is dead and the power is out.
4. Did we say, "Batteries not required"? You can still chat with friends and family when the power is out - what else is there to do?
5. Are you tired of dropped calls, no signal or poor call quality? Switch to a landline telephone and hear the clear difference.
